

CATUR HENDRA PUTRA PAMUNGKAS

+62895397073311 | caturguntur@gmail.com | <https://www.linkedin.com/in/caturhendra> | <https://carroo.github.io>
Surabaya, Indonesia

Passionate web developer with 5+ years of experience in frontend and backend development, specializing in PHP and JavaScript frameworks like Laravel and CodeIgniter, as well as libraries like React.js. Proven track record of delivering over 100 projects by providing tailored solutions that boost client satisfaction. Skilled in full-stack development and always eager to learn new technologies—currently diving into the world of AI, exploring tools like OpenAI and OpenRouter, and building WhatsApp bots using wweb.js to bring smart automation into real-world applications.
